

## SmartCard Marketing Systems Inc (OTC:SMKG) Announces The Release of the Doctor-Vid.com Platform for Tele-Medicine Remote Patient E-Video Sessions

May 1<sup>st</sup>, 2020 New York

*The company announced today, the deployment of the Doctor-Vid.com platform for Doctor/Patient scheduling of E-Video sessions solving the immediate issues caused by the global lockdown challenges being created by the COVID19 Pandemic.*

SmartCard Marketing Systems Inc (OTC:SMKG) releases a Tele-Medicine platform with a rich suite of features enabling Doctor's and their Assistants to manage scheduling, messaging, notifications and remote sessions by E-video, with a selection of the most popular E-Video Conferencing utilities available in the markets. Additionally, the E-billing allows for Pre or Post Pay for the sessions.

**How it works?** The current integrated solutions include, Go-to-Meeting, Google Hangouts and Zoom. The Doctor's can simply select their preference and activate with existing credentials or opt-in by signing up for a package.

Massimo Barone CEO Stated "The need for Business Continuity and Digital Transformation has combined to become a priority and to manage the simple day-to-day scheduling of meetings which has become a challenge specifically for the Health Industry as a whole. We have the flexibility of retooling our applications to meet the immediate needs of various industries or markets. We see this as a long-term solution offering and expanding the platform into a marketplace for all various types of Clinics and Practices, including introducing claims processing and payments distribution. Our focus is the billing and payments component with the added benefit of now having virtualized our main platforms to meet the needs of our clients"
